

# planning for 2019

*2019 is just around the corner and MCRC has a number of exciting, new policy initiatives we're working on. Join us!*

## MCRC'S 2019 ECONOMIC RIGHTS AGENDA

**Drivers' Bill of Rights** – We will work make auto insurance affordable by removing the use of several non-driving related factors from auto insurance ratings, as well as piloting an affordable auto insurance program for low-income drivers.

**Debtors' Bill of Rights** – MCRC will work to end debtors' prisons in Maryland, increase the amount low-wage workers can protect from garnishment, reduce the use of body attachments, and reform civic debt collection through policy solutions.

**Students' Bill of Rights** – MCRC will protect student borrowers from unscrupulous student-loan servicers and increase oversight for predatory for-profit colleges and private career schools.
