

MCRC's 2014 Committee Champions

The Senate's Finance and Judicial Proceedings committees and the House of Delegates' Economic Matters and Judiciary committees mark-up most of the Maryland's critical and controversial consumer rights bills. These twenty six (26) members of those committee stood up for consumer rights in 2014 by earning overall scores of 85% or better as they cast more difficult and strongly contested votes on consumer issues that most other Maryland lawmakers did.
